Toddler and Preschool:

Art - Jumpstart Toddler Montessori

Age: 18M - 4yrs

Come explore the wonderful world of learning as you guide your children through our classroom full of educational stations. From math and science centers featuring counting bears and enormous popping bubbles, to language arts centers featuring the works of Eric Carle and Dr. Seuss, your child will have so much fun, they won't even realize how much they are learning. Each week, students will be exposed to new educational concepts through a short musical lap-sit circle time and puppet show. Students will be able to get creative with washable art projects such as beautiful butterfly prints or glittering rainbows. We will also explore 'social' stations full of building blocks, cooking centers, train sets, puppets and more. Get a jump start on preschool! A separate materials fee will be due to the instructor at the first class meeting that includes a CD of music to take home. Parent participation required. Material fee: \$30; Class fee: \$35

Art - Kindermusik - Village Baby!

Age: 1M -18M

In Kindermusik Village baby music classes, we start with that special connection between you and your child, add in our unique blend of musical learning activities, and top it all off with the joy of shared experiences with the other adults and children in your class. All along the way your Kindermusik teacher will share tips and ideas that will give your child the best kind of musical head start and will help make your everyday routines a little bit easier and a whole lot more musical. Whether it's dance with your child around a maypole, cuddling together for 'Quite Time', or exploring a gathering drum with the friends you've made in class, Kindermusik Village will be an experience like no other. A separate materials fee will be due to the instructor at the first class meeting.

Art - Kindermusik - Imagine That!**Age: 3yrs - 5 yrs.**

Imagine That! takes your preschooler on an incredible musical journey...a journey that is limited only by the power of imagination. Singing becomes a focus for enhancing your preschooler's vocal development as her expressive language is just beginning to emerge. Pretend play activities are integrated with music, vocal development, storytelling, movement and literature to capture your child's potential to learn and to encourage her cognitive and literacy skills, creativity and individuality. You will be amazed at just how far a little imagination...and a lot of music...can go. A separate materials fee will be due to the instructor at the first class meeting.
